Clinician of the Year Award

We would like to give this award to an individual who provides direct services to mental health consumers in the ADAMH Network of Care.

1. **Criteria for Recipient:**

   - This could be a case manager, a counselor, a social worker, a Crisis Intervention Worker, a psychologist, or even a psychiatrist.
   - He or she should demonstrate commitment to needs of persons receiving community mental health services.
   - Should be an example that other workers point to with respect and regard. The quality of the work should be considered as well as quantity.
   - The ability to demonstrate ongoing concerns for the populations served should be present.

2. **Making a Nomination:**

   - Anyone can nominate an individual for the award (agency staff, consumer, law enforcement, medical community, school personnel, etc.)
   - The individual who is making the nomination needs to complete and sign the nominating form.
   - Completed, signed, nominating form needs to be received by the deadline according to the instructions on the nominating form.

3. **Nomination Review**

   - ADAMH Board Community Relations Committee will review all nominations and will notify the person who made the nomination of the results.
   - The individual chosen will be invited to attend the Annual Dinner and will receive his or her award at the dinner.
   - Agency Directors or CEO’s will be notified if an individual on staff has been selected to receive the award.
