OCTOBER 2020 • ISSUE 2 • VOLUME 1

The Lighthouse's mission is to promote the existence of a safe and peaceful home and family life environment through the provision of quality services focused on the prevention, education, and treatment of family violence.

We are a team of individuals who are all working toward the same goal to improve the lives of people who have been touched by domestic violence and assist them in overcoming the barriers in their ways of living happy, safe, productive lives. We offer protective shelter, counseling, group therapy, legal advocacy, and case management services. Our counselors for adults and children and 24/7 support staff are at The Lighthouse to assist you and/or your children.

NATIONAL DRUG TAKE BACK DAY

Help spread the word this October to stop medicine abuse. Teens who learn about the risks of drugs from their parents are 50% less likely to use drugs. Create a medicine action plan. Be sure you're using, storing, and disposing of medicines safely. Remember: The Fairfield ADAMH Board and its service providers are here to help.
